JOHN P. CRONAN, United States District Judge:

At the sentencing hearing for Defendant that took place on July 18, 2023, the Court inadvertently imposed restitution in the amount of \$213,829,276.73, which is \$190,143.20 more than the figure requested by the Government at sentencing and included in Defendant's plea agreement—\$213,639,133.53. Accordingly, the Court hereby gives notice of its intention to correct this error in its forthcoming judgment of conviction. *See* Fed. R. Crim. P. 36 ("After giving any notice it considers appropriate, the court may at any time correct . . . an error in the record arising from oversight or omission."). If either party objects to the issuance of a judgment imposing restitution in the amount of \$213,639,133.53, or requests a hearing for the Court to restate its judgment as to restitution, it may do so in writing by July 21, 2023, at 5:00 p.m.

SO ORDERED.
